I Donated Vision Thank You Pins

Lions! You have a very exciting opportunity to give that is two-fold. **One**, you can make a donation of \$20.00 or \$40.00 to Vision Rehabilitation Center of the Ozarks and this will provide the gift of vision in some way to an individual in need! **Two**, with a \$40.00 donation you will receive the *STYLE A* pin featured above with the crystal as a **Thank You** for your generous support of vision; or with a \$20.00 donation you will receive the *STYLE B* pin featured above as a **Thank You**. Lions this is a win-win! Just think about it ... an individual receives aid with their vision **and** you receive a lovely gift pin with our beautiful Lion Logo. What better way to be a “Knight of the Blind”? Wonderful things are happening at VRCO and lives are being changed from birth up. Lions will you not consider making your donation today and wearing this pin with pride as YOU donated VISION?

You also have the opportunity to make memorial donations in the memory or honor of a loved one. All you need to do is to send your check in to VRCO and they will do the rest. A lovely letter will be sent to the family of the individual and then a letter also to you for your records for the donation you made. What a great way to honor someone’s passing.

If you are interested or have questions please give Executive Director, Lion Wendy Jackson a call and she will walk you through what you need to do.
